

**What's one thing
you'll look back on
and be really proud of
at the end of your life?**

Who is one famous person you would like to meet in your lifetime and why?

**What's one thing on
your bucket list that
you'd love to get done
before you go?**

**If you could have one
superpower,
what would it be?**

**What would you like
people to think of
when they
remember you?**

**Are you more worried
about doing things
right, or doing the
right things?**

**Would you rather
have your memories
uploaded and live
forever as an AI, or
pass away naturally?**

**I AM
LIVING**

**talking
about life
before death**
